Sir:

During the course of several telephone interviews conducted from November 14, 2001 to November 27, 2001 between Applicant's representative, Jonathan Kidney, with Examiner Joseph Nguyen, it was agreed that the period for responding to the Office Action mailed October 10, 2001 would be extended. The above-telephone interviews concerned the Examiner's application of a reference that was not indicated in an Information Disclosure Statement, International Search Report or PTO-892 Form, nor included with the Office Action mailed October 10, 2001. As agreed in the telephone interview conducted on November 27, 2001, Examiner Nguyen indicated he would mail the reference in question with a PTO Communication resetting the period for response and indicating the reference in a PTO-892 Form.

Respectfully submitted,
